Form PTO/SB/08A is enclosed in duplicate. Copies of the abstracts and/or claims for all of the cited references are enclosed. These references were produced by six searches A, B, C, D, E and F of our data base search service, Nerac. The results of each of the six searches are enclosed, and are marked with a letter and a number corresponding to the above list.

Applicant does not waive any rights to take appropriate action to establish patentability over any of the listed documents should they be applied as references against the claims of the present application.

This statement should not be construed as a representation that more material information does not exist or that an exhaustive search of the relevant art has been made. Consideration of the cited documents and making the same of record in the prosecution of the above-identified application are respectfully requested.

The submission of this Information Disclosure Statement is made before receipt of the initial Office Action. Any fee required for this filing, or any overpayment, should be charged to Deposit Account No. 03-3415.

Respectfully submitted,

---

R. Lewis Gable
